Active Flashcards

Bunny is a brave explorer in a lost jungle. You are her guide!

Set-Up

Build a jungle: books are cliffs, a blue towel is a river and cushions are mountains. Hide a toy carrot at the end.

How to Play

1

Bunny can only hop! Bounce her gently up and over the book cliffs.

2

Roll Bunny across the blue towel river. Splash!

3

Find the golden carrot at the end. Hooray, Bunny!

Grown-up tip

At each landmark, turn Bunny round and ask: "What can Bunny see?"

Level up

Add more landmarks, like a cushion mountain or a sock snake!

You need: Ball, books, a blue towel, cushions, a toy carrot
