

The King's Royal Council

1

Active Flashcards

The jungle river has dried up! You are King Lion's royal helper.

Set-Up

Make a council circle with stones, cushions or a rope. Sit 3-4 toy animals around it.

How to Play

Sit Lion in the middle. Each animal tells him a problem, like "Elephant is thirsty!"

Hold Lion to your ear to hear his plan. Tell the animals how you will find water together.

Help Lion shake paws with every animal by touching the ball to them. Friends again!

Grown-up tip

Give each toy a voice. Ask: "How does Zebra feel?"

Level up

Make Lion a crown of grass or daisies. Next time: the fruit has run out!

You need: Ball, stones or a rope, 3-4 toy animals
