Turtle's Time Travel

1

Active Flashcards

Turtle's time-machine shell is broken! Help him find his way home.

Set-Up

Make 3 time zones: a dinosaur jungle under a table, a frozen future on a white rug and a golden castle on a chair.

How to Play

1.

   In each zone, hold Turtle up and ask: "What year is it, Mr Turtle?" Draw or write his answer.

2.

   A dinosaur! Hide Turtle under leaves, a sock or a blanket so he isn't spotted.

3.

   Make up a magic rhyme to open the time portal, then carry Turtle to the next zone.

Grown-up tip
Be Turtle's voice. The sillier his answers, the better!

Level up
Home at last? Make Turtle a medal. Then draw a map of the 3 zones.
