

The Bunny Vet Clinic

2

Active Flashcards

Bunny is tired and poorly after a big day outside. You are the vet!

Set-Up

Make a hospital bed from a shoebox and a small towel.

How to Play

1

Tap Bunny gently with your fingers to check her heartbeat.

2

Stroke the top of the ball softly to check her ears.

3

Tuck Bunny into bed and make her a get-well card.

Grown-up tip

Hands only, no tools. Be extra gentle!

Level up

Read Bunny a story (or make one up) until she falls asleep.

You need: Ball, a shoebox, a small towel, paper, crayons
