

# Turtle's Treasure Trek

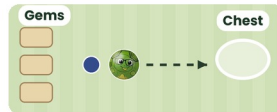

2

## Active Flashcards

**Turtle is a secret explorer. Bring the gems home before the seagull wakes!**

### Set-Up

Put a bucket (the treasure chest) at one end of the garden and 3 socks (the gems) at the other end.

### How to Play

1

Get on your hands and knees. A grown-up puts Turtle on your back. Hold still like a strong shell!

2

Crawl, rolling Turtle with your hands. Fetch one gem at a time and drop it in the chest.

3

If the grown-up shouts "Seagull!", curl up and hug Turtle until they say "All clear!"

### Grown-up tip

Slow and steady, like a real turtle. Keep Turtle close to your hands.

### Level up

Tap Turtle along with your feet instead, or add more gems.

**You need:** Ball, a bucket, 3 socks, a grown-up
