Bunny's Bath Time

5

Active Flashcards

Bunny rolled in a muddy puddle! Can you make her clean and fluffy again?

Set-Up

Put a towel on the floor with an empty washing-up bowl, a dry sponge and a hairbrush.

How to Play

1.

   Sit Bunny in the bowl. Scrub-a-dub her all over with the dry sponge.

2.

   Wrap Bunny in the towel and pat her dry. Don't forget her ears!

3.

   Brush Bunny's fur gently and tell her how lovely she looks.

Grown-up tip
Keep it a dry, pretend bath. Ask: "Which bit is the muddiest?"
