Turtle's Post Office

7

Active Flashcards

Turtle is the slowest postman in town, but he always delivers!

Set-Up

Draw pictures on paper and fold them up as letters. Sit toy friends in different spots (their houses).

How to Play

1.

   Put the letters in a bag. Which toy is each letter for?

2.

   Roll Turtle slowly to the right house. Knock, knock!

3.

   Give the letter to the toy. What does it say? Make it up and read it out loud!

Grown-up tip
Let your child draw the letters. A scribble is a lovely letter!

Level up
Make a postbox from a shoebox and collect letters back.
