

Bunny's Music Band

8

Active Flashcards

Bunny loves to dance! Make a band and play her favourite song.

Set-Up

Find pots, plastic tubs and wooden spoons for drums. Clear a space to dance.

How to Play

1

Bang the drums! Bunny bounces along to the beat: bounce, bounce, bounce!

2

Play slowly, then fast. Can Bunny dance slowly, then fast?

3

Freeze! When the drums stop, hold Bunny very still.

Grown-up tip

Take turns: you play, your child dances with Bunny, then swap.

Level up

Make a shaker: a grown-up fills a bottle with rice and screws the lid on tight.

You need: Ball, pots or tubs, wooden spoons
